The Amazing

Place

## WELCOME!

Welcome to worship!  
It's the most exciting thing we do all week and we love having guests.

On Sunday morning we offer two different worship experiences. Our 8:15 service is quiet, meditative & traditional while 10:45 is more contemporary with a range of instruments and projected music.

Whatever the means through which God's gracious presence becomes more real for you, we all give thanks for the variety of gifts God has given us for worship & praise.

There are many ways for you to become involved in the life of the church at Word of Hope and we invite you to participate in any activity that might interest you. Or, you may wish to simply observe and that's welcome too.

Either way, we would like to get to know you. Please take a moment to introduce yourself to Pastor Duval and other WOH folks before or after worship service.

### HOLY COMMUNION

God's gift to us is the presence of Jesus in the bread and wine ~ and we're happy to share it with you as you are touched by the presence of God. In fact, that's one of the expectations we have of worship, that God is in this place and that his presence makes all the difference in the world for our lives. (Ushers will direct you to the table.) We invite all Christians who trust in Jesus' presence in the bread and wine to participate in this holy meal – for this is the Lord's Supper.

Peace be with you.

## House-Of-God Keeping

### Where Fearless Kids Shine God's Light

Jesus chose to be around small children a number of times in his ministry, often over the objections of his disciples. Sometimes he seems to have done this in order to hold children up as examples of the child- like qualities that enable God's Realm. But maybe, sometimes, he just wanted to hold them.
