**THE SIXTH SUNDAY OF EASTER
MAY 17th**

WELCOME!

Welcome to worship!

It's the most exciting thing we do all week and we love having guests.

On Sunday morning we offer two different worship experiences. Our 8:15 service is quiet, meditative & traditional while 10:45 is more contemporary with a range of instruments and projected music.

Whatever the means through which God's gracious presence becomes more real for you, we all give thanks for the variety of gifts God has given us for worship & praise.

There are many ways for you to become involved in the life of the church at Word of Hope and we invite you to participate in any activity that might interest you. Or, you may wish to simply observe and that's welcome too.

Either way, we would like to get to know you. Please take a moment to introduce yourself to Pastor Duval and other WOH folks before or after worship service.

HOLY COMMUNION

God's gift to us is the presence of Jesus in the bread and wine ~ and we're happy to share it with you as you are touched by the presence of God. In fact, that's one of the expectations we have of worship, that God is in this place and that his presence makes all the difference in the world for our lives. (Ushers will direct you to the table.) We invite all Christians who trust in Jesus' presence in the bread and wine to participate in this holy meal – for this is the Lord's Supper.

Peace be with you.

Follow Together

If we are following Jesus, we cannot wait for the perfect community. It was while we were yet sinners that Christ allowed his body to be broken for us... Our commitment to one another in community can be no less than his: 'This is my body broken for you.'
